**PETITIONING THE COURT**

---

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 1/19/2024, 2/21/2024, 3/1/2024, 3/20/2024 and 4/2/2024.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

11

**Special Condition #5:** You must undergo a substance abuse evaluation and, if indicated by a licensed/certified treatment provider, enter into and successfully complete an approved substance abuse treatment program, which could include inpatient treatment and aftercare upon further order of the court. You must contribute to the cost of treatment according to your ability to pay. You must allow full reciprocal disclosure between the supervising officer and treatment provider.

**Supporting Evidence:** On April 2, 2024, Isiah Harrington allegedly violated special condition number 5 by being unsuccessfully discharged from treatment with Breakthrough Recovery Group (BTRG).

**Re: Harrington, Isiah James****April 8, 2024****Page 2**

On April 2, 2024, this officer received notification from treatment staff with BTRG advising that the decision had been made to unsuccessfully discharge Mr. Harrington from treatment. According to the information received, the offender had been “nodding out” during his group treatment sessions on April 1 and 2, 2024. While Mr. Harrington claimed that he was tired because his grandmother had a stroke on the evening of April 1, 2024, it did not explain why he was unable to stay awake during his treatment session earlier that morning.

The treatment provider advised the offender had refused to do his group notes on April 1 and 2, 2024, despite the fact that participants are required to complete group notes as an element of their treatment program.

Additionally, treatment staff challenged Mr. Harrington during his treatment session on April 1, 2024, because he was reportedly making “a number of victim statements,” to include that he is “a victim of the legal system.” Treatment staff ultimately determined that the offender was not sincerely engaged in treatment, which thus negatively impacted the other participants, and he was subsequently discharged unsuccessfully.

The U.S. Probation Office respectfully recommends the Court to incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
